

Warranty Form

Instructions:

1. Print PDF form.
2. Fill out form completely.
3. Send entire warranty item, completed form, and payment to address listed below.
4. The Loop USA Warranty Center typically completes and ships warranty orders within 24 to 48 hours after item is received.

The charge for customers located in the continental US/North America is \$60 per rod section. This includes the shipping costs to return the item to the customer. International customers will be charged \$60 USD per rod section **plus** actual shipping and insurance costs, and will be responsible for all related customs and duty charges. Charges for reel repairs will vary. Payment must be received before item is returned to customer. You will be contacted if there is a delay in filling your order.
